

EFFECTIVE COMMUNICATION SKILLS

A one-day highly interactive workshop designed for those who wish to become more confident and influential communicators.

This workshop will help participants build confidence, establish better working relationships and become more influential in the business environment. Through a variety of highly interactive exercises and role-plays, participants will increase their self confidence and vocal ability. In addition, they will also develop a greater understanding of the skills and approaches necessary for achieving successful working relationships.

About Skillstudio

Client Feedback on Skillstudio Courses

The workshop was extremely well organised and effective. The workshop itself was structured well with an effective balance between practical exercises and information giving. The exercises were both enjoyable and enlightening, I certainly feel that I have taken some new skills away with me which are enhancing my performance at work.

London Borough of Camden

The Effective Communications workshop was an engaging and interactive experience that provided pragmatic solutions and helped to build confidence. The trainer quickly put all the delegates at ease and provided clear instruction with realistic and achievable goals.

Royal Institute of British Architects (RIBA)

I felt the course was very useful for my personal development especially in a professional sense. It made me realise there are lots of subtle ways to improve communication that I can work on. It was encouraging to know that there are ways to improve my communication skills.

HSBC

I found the training methods effective and innovative. The exercises were well thought out and gave a good chance for practice. I have been able to use the material learned in a practical way back at work. I would recommend this course and Skillstudio without reservation.
